LOCATION: LYTTON I.R. # _____

The Nzen'man Child and Family Development centre Society (CFDCS), is in the preliminary stages of designing a new facility to house all of their services in one complex. The Feasibility study and conceptual design phase will be completed in the fall of 2017, and community presentations will be presented in January of 2018.

The proposed site for the new Nzen'man CFDCS facility is located in close proximity to the Stein Valley School, the building is walkable from several residential areas, and is easily accessible from highway 12.
